When I Was a Little Boy

I'm not sure about these chords either, but they work for me

Traditional (England)

Em D Em D Bm
When I was a little boy to London I did go,
. Em D Em D Em
But now I've turned a roguish blade, my courage it will show.
. G Am Bm C B
My feet was on the table, my head was hanging down,
. Em D Em D Em D Bm
And I jumped right over Kingston Hill and never touched the ground,
. Em D Em D Em
With my tooral laddy whack fol laddy tooral looral ling.

Oh, I bought myself a little bull about three inches high;
The people all admired me, it's for to hear him cry.
The people all admired me, for he made such an awful sound,
He made the spire of St Paul's Church come tumbling to the ground,
With my tooral laddy whack fol laddy tooral looral ling.

Oh, I bought myself a flock of sheep and most of them were wethers;
Sometimes they brought me wool, sometimes they brought me feathers.
They were as fine a flock, sir, as anyone could possess,
For every month or six weeks' time they brought me six lambs apiece,
With my tooral laddy whack fol laddy tooral looral ling.

I bought myself a little hen and of her I took great care;
I set her on a mussel shell and she hatched me out a hare.
The hare grew up a milk white steed about eighteen yards high,
And if anyone tells you a bigger story I'll tell you it's a lie,
With my tooral laddy, whack fol laddy, tooral looral ling.

I bought myself a little box about three acres square;
I stowed it in my breeches pocket, the guineas they were there.
Now the people all admired me, thanked me for what I'd done,
And they gave me a portion of silver and gold about ten thousand ton,
With my tooral laddy, whack fol laddy, tooral looral ling.
